Members of the Relief Society, along with friends of the Church and young women who will turn 18 in 2026, are invited to participate in a worldwide broadcast in March 2026.

Elder Quentin L. Cook of the Quorum of the Twelve Apostles will offer a special message with President Camille N. Johnson, Sister J. Anette Dennis, and Sister Kristin M. Yee of the Relief Society General Presidency.

Sisters are invited to gather together to watch the broadcast as wards, branches, or stakes on or near the anniversary of the organization of the Relief Society on March 17. The meeting can be opened and closed with prayer. You may also consider holding a local testimony meeting after viewing the broadcast.

The **30–40-minute broadcast** will be available **beginning March 8, 2026**, on [Gospel Library](#), [ChurchofJesusChrist.org](#), and [YouTube](#).

Additional Discussion Videos

In addition to the broadcast, several brief discussion videos, each lasting 2–4 minutes, will be released on **March 8**. These videos cover important topics designed to assist local Relief Society leaders in supporting and uplifting sisters they serve.

Topics addressed in these videos include:

- Finding strength and relief in Jesus Christ
- Managing competing priorities

- Building emotional resilience
- Staying committed when facing offense, hurt, or trials
- Discovering the divine design in my family

Discussion videos can be viewed at the same time as the broadcast or throughout the year as resources for counseling in Sunday Relief Society meetings, women's conferences, activities, other gatherings, and personal study.

Discussion videos will be available on [ChurchofJesusChrist.org](https://www.churchofjesuschrist.org) and Gospel Library.
